**CASH ON DELIVERY SERVICE.**

This arrangement for collecting from the recipient, for remittance to the sender by special Card Money Order, the value of articles sent by Parcel Post, is in operation between the United Kingdom and the places specified in the Table on page 740. The amount to be collected under the Cash on Delivery System is called the "Trade Charge." The Trade Charge on any one parcel may in no case exceed £40. Parcels on which Trade Charges are to be collected must be posted as a rule at a Head or Branch Post Office. If the insurance of a Cash on Delivery parcel is desired, the ordinary regulations for insurance must be observed.

**Special Conditions to be observed by the senders of Cash on Delivery parcels from the United Kingdom.**

1. The sender must furnish, on the cover of the parcel, or on a label affixed to the cover, his name and address and the word "Remboursement" followed by the amount in British currency of the Trade Charge. These particulars may be furnished on the back of the parcel if there is not room for them to be shown clearly on the front. No erasure or alteration of the entry of the money is allowed. An incorrect entry must be completely obliterated and a fresh entry made. In services in which Despatch Notes are used, a separate Despatch Note must be prepared for each Cash on Delivery parcel; and the amount of the Trade Charge must be entered in the space provided for the purpose.

2. The sender must indicate on the parcel and the relative Despatch Note (or the adhesive Customs Declaration in the case of parcels unaccompanied by Despatch Notes) whether, if the parcel is undeliverable as addressed, it should be (a) abandoned, or (b) delivered at a second address. No other alternative is permissible; and, in particular, a request for delivery at a second address without payment of the Trade Charge cannot be accepted. In the absence of a definite request for abandonment, a parcel which is undeliverable at the original address, or at the alternative address if one is furnished, is returned to the sender at his expense, without previous notification.

3. The sender must fill up a special Trade Charge Card with all the particulars required on the card, except the number of the parcel and those in the space headed "Service Instructions." No erasure or alteration of the entry of the amount of the Trade Charge is allowed.

If the sender desires to correct the entry of the amount he must make out a fresh card. The Trade Charge Card will eventually be returned to the sender as a Money Order for the full amount entered on it and on the relative parcel by the sender.

4. The sender must prepay, by means of postage stamps affixed to the parcel, a special Cash on Delivery fee calculated as follows:—

Trade Charge not exceeding	Fee.	Trade Charge not exceeding	Fee.
£	s. d.	£	s. d.
1	4½	21	4 6½
2	7	22	4 9

18	3 11	38	8 1
19	4 1½	39	8 3½
20	4 4	40	8 6

This fee is in every case additional to the ordinary postage and other charges (for express delivery, insurance, advice of delivery, &c.) which must be prepaid in the ordinary way.

5. The sender must hand the parcel in at a Post Office authorized to transact Cash on Delivery business (generally a Head or Branch Office), where he must obtain a Certificate of Posting, of which the production may be required as a condition of payment of the Trade Charge Money Order.

A Delivery Fee will be charged in certain countries abroad for the delivery service. This fee, of which particulars are furnished in the Table at page 740, is collected from the addressee of the parcel; and no deduction in respect of it is made from the amount of the Trade Charge Money Order.

Cash on Delivery Parcels received in the United Kingdom from the Countries participating in the Service will be delivered by postmen in the ordinary way, except that, if the Trade Charge exceeds £5, the parcel will be kept at the Post Office to be called for, notice of its arrival being sent to the addressee.

The Postman is strictly forbidden to give up a Cash on Delivery parcel, or to open it at the request of the addressee, or to allow the addressee to open it until the Trade Charge and any other charges due have been paid.

A delivery fee of 4d., in addition to the amount of the Trade Charge, will be collected from the addressee of a Cash on Delivery parcel received from a place abroad. The amount of the Trade Charge collected will be remitted to the sender of the parcel without deduction.

If the Trade Charge is not paid on demand, the postman will take the parcel back to the Post Office of delivery, from which a notice will be sent to the addressee. If, in reply to this notice, the addressee so requests, the parcel will be presented again at a subsequent delivery, subject to an additional fee of 2d., which will be collected from the addressee. In the absence of instructions for a second presentation of the parcel, or in default of payment on the second occasion, the parcel will be kept at the Post Office for 15 days, exclusive of the day of arrival, and, if not called for in the interval, will be treated as undeliverable.

No receipt for a Trade Charge will be given.

Cheques will not be accepted in payment of Trade Charges.

When the Trade Charge has been collected, the Post Office undertakes the responsibility for the due remittance of the amount to the sender of the parcel; and, therefore, a Trade Charge, once collected, will in no circumstances be refunded to the addressee.

Parcels on which Trade Charges are to be collected will, in other respects than those above specified, be treated like other parcels, e.g., as regards insurance and compensation.

### **CORRESPONDENCE TO AND FROM SHIPS.**

*Delete the first paragraph "The special arrangements . . . are suspended," and substitute the following :*

Such letters may be posted in any part of the United Kingdom up to the latest time of posting registered correspondence for the mails which the Packets are to convey. They must be registered, but cannot be insured, and must be addressed to the care of the Commander of the Packet at the port of departure.

### **INLAND TELEGRAMS.**

(Page 90).

#### **Registered Abbreviated Addresses.**

*After "day of registration" read thus :—*"The address must consist of two words, one of which is to be the name of the town or place of delivery; the other must be a word containing not more than ten letters which is easy to pronounce. In London," etc.

(Page 92.)

#### **Messages telegraphed for Inclusion in Outgoing Mails.**

Telegrams may be sent to certain ports for onward transmission as letters. The sender must write "post" (which will not be charged).

for) before the addressee's name and the name of the terminal Telegraph Office at the end of the address. For example: "Post, Brown, 12, Fifth Avenue, New York, Liverpool." Thus a telegram of 24 words to be sent by post from Liverpool to New York should be prepaid 1s. 5d., *viz.*, 1s. 8½d. for the telegram (including ½d. for the name of Liverpool) and 1½d. for postage. In such cases a registered address cannot be used.

**(Page 94.)      Miscellaneous Regulations.**

*Cancel* the fourth paragraph, and *substitute* the following:—

The name and address of the sender of a telegram, if not to be telegraphed, should be written on the back of the form, so that in the event of non-delivery the sender may be advised.

**(Page 95.)**

**FOREIGN AND COLONIAL TELEGRAMS.**

*Delete* the first paragraph, *i.e.* from "All telegrams" down to "their disposal."

*Delete* the section headed "Plain language; Code language." *Substitute* the following:—

**Plain language; Code language; Cypher.**

Telegrams are accepted without restriction to most places abroad. A few countries, however, still maintain restrictions, of which particulars may be obtained at any Post Office.

**(Page 96.)**

*Delete* the first four paragraphs, *i.e.* from "Telegrams written . . ." down to "... are prohibited."

**(Page 97.)      Addresses of Telegrams.**

*Delete* the first four paragraphs, *i.e.* from "Telegrams should . . ." down to "... charged for," and *substitute* a paragraph as follows:—

The address must be paid for, and must in no case consist of less than two words. When it is expressed in two words, the first should designate the addressee, and the second should be the name of the telegraph office of destination. Such abbreviated addresses should be registered at the office of destination.

**(Page 98.)**

*Delete* the third paragraph, *i.e.* from "All telegrams . . ." down to "paid for."

**Prepaid Replies.†**

*Delete* "Mesopotamia," *substitute* "North Russia," in second line of the first paragraph, as excluded from the arrangement for prepayment of replies.

(Page 99.)

### Repetition at Request of Sender to Ensure Accuracy.

The second paragraph should stand as follows:—

“Repetition is desirable for all telegrams in code or cypher.”

### Repetition at Request of Addressee to Detect Errors.

*Delete* the words “and subject to censorship” after “Delivery Office” in the second line of the first paragraph.

(Page 100.)

### Mixed Postal and Telegraph Service.

*Delete* the third paragraph, i.e. from “Messages cannot be telegraphed” down to “for inclusion in Outgoing Mails.”

*Insert* between the paragraphs headed “Special Delivery” and “Telegrams to Follow the Addressee” the following paragraph:—

#### Notice of Delivery.

On payment of an additional rate for five words, the sender may have a notice of the time at which his telegram was delivered transmitted to him by telegraph. In that case “P.C.” which is charged for as one word, must be inserted before the address of destination. The information will be given by post on payment of a fee of 2½d., and of the charge for one additional word for the expression “P.C.P.” before the address.

### TELEGRAMS (WSM) CONCERNING SICK OR WOUNDED MEMBERS OF THE FORCES OUTSIDE OF EUROPE AND IN THE MEDITERRANEAN.

*Delete* the notice under this heading.

(Page 101.)

### Telegrams to be called for.

*Delete* second paragraph, i.e., from “Such telegrams” down to “East Africa.”

(Page 103.)

### RADIOTELEGRAMS.

*Delete* the first paragraph, i.e., from “All Radiotelegrams” to “Foreign Telegrams.”

#### (Paragraph 8.) Private Radiotelegrams.

*Delete* the following from the list of waters for which private radiotelegrams are not accepted:—“North Sea,” “English Channel east of a line joining Dungeness and Boulogne,” “Northern Russian waters,” and “Mediterranean.”

(Page 103.)

**Charges.—(1.)**

Alter the heading of the first paragraph as to Charges to read as follows :—

**Charges.—(1.) For Radiotelegrams for transmission through coast stations in the United Kingdom (except Poldhu.—As regards this station see paragraph headed Long-Distance Communication).**

(Pages 103–104.)

**Address.**

After the paragraph headed "Address" insert paragraph as follows :—

**Long-Distance Communication.**—Radiotelegrams are accepted for transmission through the Marconi Company's station at Poldhu to ships which are not within range of any other British coast station. The Poldhu station communicates with ships at night only, and its range is about 1,500 miles.

The charge is 2s. 6d. a word, plus the ship charge, which is usually 4d. a word. Such radiotelegrams must bear the name of the station "Poldhu" in the address.

(Page 104.)

**Abbreviated Addresses for Radiotelegrams from Ships.**

*Delete the sentence "Full particulars can be obtained on application to the Secretary, General Post Office."*

**Counting of Words, etc.**

Add the following sentence at the end of the section, headed "Counting of Words":—

The name of the coast station in the address of a radiotelegram when written in the form given in the list at pages 769–778 also counts as one word.

(Page 114.)

**FOREIGN AND COLONIAL MONEY ORDERS.****Rates of Poundage.**

*Insert after "Japan, etc.,"* in section (a), and before "Portugal":—  
"Palestine and Syria."

*Delete the entry "Russia (Murmansk and Archangel only)."*

*Cancel entry under (b) and substitute the following:—*

- (b) For Orders payable in all Foreign Countries (except United States) not mentioned } 4d. for every £1 under (a). or fraction of £1.
- (c) For Orders payable in the United States of America:—Special rates, details of which can be obtained at any Money Order Office.

For Telegraph business and the sale of stamps the office at the corner of Newgate Street is open always."

(Page 138.)

## SUNDAY, CHRISTMAS DAY AND GOOD FRIDAY.

**In London.**

*Cancel the second paragraph. Substitute :—*

The Sunday arrangements for posting correspondence for the Provincial Night Mails are indicated on pages 513 and 514. There is also a general collection at times varying from 10 p.m. in the outer suburbs to midnight in the central districts to connect with the early day mails to the Provinces and with the first delivery in London on Monday.

*Cancel the fourth paragraph. Substitute :—*

On Christmas Day and Good Friday attendance is generally given at those Telegraph Offices which are open on Sundays, for the receipt and despatch of telegrams, the sale of postage stamps, and for telephone business ; but in some cases the hours of attendance are less than on Sundays. At all offices open on Christmas Day and Good Friday a notice showing the hours of attendance is exhibited in advance.

The arrangements for posting correspondence for the Provincial Night Mails on Christmas Day and Good Friday are identical with those shown for Sundays on pages 513 and 514, except in those cases, mentioned above, in which the hours of attendance are less than on Sundays. In such cases the latest time for posting is generally correspondingly earlier than on Sundays. There is the usual morning delivery of Letters and Parcels, except when Christmas Day falls on a Sunday, when Parcels and Express letters only are distributed.

† Italian, English, or French may be used in telegrams for Albania, Italy and Libya.

‡ Places in Finland are those shown in the International List as being situated in one of the following provinces of Russia in Europe—Abo-Bjorneborg, Kuopio, Nyland, St. Michel, Tarastehus, Uleaborg, Vasa (Wasa), Viborg (Wiborg).

§ Urgent telegrams paid at triple rates may be accepted for Denmark, Faroe Islands, Finland, Greece, Greek Islands (is. 4½d. per word in the case of Greece, Corfu, Crete, Euboea and Poros, and 1s. 6d. per word in the case of the Greek Islands not specified above). The word "Urgent" must be inserted before the address and paid for as an extra word.

\*\* Libya is also known as Tripoli.

\* Telegrams paid at triple rate—1s. 4d. a word—receive priority of treatment over other private telegrams on the cables between this country and Russia, and on the Russian land lines. The word "urgent" must be inserted before the address and paid for as an extra word. The telegrams are accepted subject to senders' risk as in the case of those forwarded at ordinary rates.

\* Telegrams for the places in Morocco, to which the ordinary rate is 6d. per word are normally forwarded from Tangier to their destination by post, for at least a part of the way, and are subject to delay. Such telegrams will be sent by wireless telegraphy instead of by post in Morocco, if a charge of 1s. 7d. per word instead of 6d. is paid, and if the indication "D." which must be paid for as an extra word, is inserted before the address between hyphens.

† Telegrams in plain language (English or French) for Mauritania, Senegal and Upper Senegal and Niger may be accepted at half rates, on condition that they may, if necessary, be deferred during transmission in favour of full-rate telegrams. When the total charge for the telegram ends in an odd number of farthings, the sum of 1d. must be added to the amount so as to bring it up to the next id. or 1d. For example, the deferred rate to Senegal is 8d., and the charge for a deferred telegram of 9 words is, therefore, 9 × 8d. = 6s. 2d. + 1d. = 6s. 2d.

‡ Urgent telegrams paid at triple rates may be accepted for Norway, Sweden, and Turkey. The word "Urgent" must be inserted before the address and paid for as an extra word.
